## Christen Johnson, President-Elect

### What do you do for SNMA?

“I develop an executive agenda to carry out during my term and act as a liaison to the NMA. I also serve as chair of the Elections Committee and coordinate the elections process for the upcoming year. Additionally I work to support the current National President's agenda.”

### What has SNMA done for you?

“Leadership in the SNMA has given me an outlet to grow both professionally and personally. Aside from networking experiences and both gaining and sharpening my leadership skills, leading in the SNMA has given me a support system and honestly a family away from home.”
